

## House Resolution No.

**Whereas**, the members of the Missouri House of Representatives take tremendous pleasure in the attainments of Show-Me State school districts which have demonstrated an exceptional level of student achievement; and

**Whereas**, the Perry County School District 32 was chosen for well-deserved accolades for "Distinction in Performance" by the Missouri Department of Elementary and Secondary Education on December 1, 2004, when the state finalized its 91 out of a possible 100 score; and

**Whereas**, one of one hundred twenty-four K-12 districts to earn the Distinction in Performance rating for the 2003-2004 school year, the Perry County School District educates nearly twenty-three hundred students through the efforts of one hundred eighty-five certificated staff; and

**Whereas**, the Distinction in Performance Award recognizes school districts with high or improved performance based upon Annual Performance Report (APR) information; and

**Whereas**, criteria for this impressive Department of Elementary and Secondary Education recognition are for K-8 districts to meet five of six possible Performance Indicators, K-12 districts to meet eleven of twelve possible Performance Indicators, and all districts to meet each MAP Performance Standard; and

**Whereas**, the Perry County School District has risen to exceptional levels among Missouri school districts because of the leadership of its administration, the concern and involvement of its teachers, an awareness of the importance of professional development, and the heartfelt commitment and diligence of its students:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-third General Assembly, join unanimously to applaud the effective programming and stellar goals illustrated by the educational labors of the Perry County School District and to convey this legislative body's heartiest congratulations and best wishes to all of the District's administrators, faculty, students, and parents upon its selection for "Distinction in Performance" recognition by the Missouri Department of Elementary and Secondary Education; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution to acknowledge the accomplishments of the Perry County School District.
